Dear Mr. Sokołowski,

On behalf of the organizer, the Institute for Biotechnology and Medicine Industry (IBMI), Taipei, Taiwan, I have a pleasure to extend to you a cordial invitation as a honor keynote speaker to participate in the HEALTHCARE EXPO TAIWAN 2023 during November 30 – December 3, 2023 in Taipei.

We would be honored if you or your representative can accept our invitation to deliver a key-note speech on the MEDTEX Summit Asia 2023 and we will also appreciate if the members of your esteemed Association could join the EXPO and B2B meetings. The organizer will provide with subsidies subject to IBMI's approval to cover the cost of flight ticket and the accommodation in Taipei for the invited speaker and 3-night accommodation for participants of the EXPO.

We believe that this conference and exhibition will help Polish and Taiwanese companies to better understand the business opportunities and thus will further contribute to the enhancement of the trade opportunities and manufacturing technological collaborations.

Enclosed herewith is a brochure of the 2023 Healthcare Expo Taiwan and the introduction of the IBMI for your reference. More information you can also find at the websites:
